TRUST FUNDS.

Herewith is a statement of the trust funds in possession of the town and the disposition made of the same.

THE COLONEL THOMAS NESMITH FUND.

One thousand dollars was given to the town by Mr. Nesmith, in May, 1871. This fund is invested in the town of Windham, and six per cent. interest is paid annually for the purchase of new books for the Nesmith Library.

GEORGE WILSON FUND.

One thousand dollars was given to the town by Mr. Wilson, Jan. 21, 1893, the income to be used in beautifying and fertilizing the cemetery on the hill. The fund was deposited in the Mechanics bank of Nashua. In about three months after the deposit was made the bank was put in the hands of a receiver. Two dividends of 15 per cent. each and one of 10 per cent. have since been paid by the bank, the balance still remaining, with the prospect of another small dividend in the future.

Mr. Wilson kindly supplemented his gift by sending a check in May, 1896, for \$500, to make good to the town the possible loss on the deposit. The \$500 is invested in the town of Windham.

DORA HASELTINE FUND.

Five hundred dollars was given to the town in May, 1896, by Dora Haseltine, and six per cent. interest to be paid annually for the care of the "Cemetery on the Plain." It is invested in the town of Windham.

ARMSTRONG MEMORIAL FUND.

One thousand dollars was given to the town in 1889 by George W. Armstrong. The income to be used in and about the Armstrong Memorial building.

The fund was invested in five shares of the capital stock of the Pullman Car Company. Quarterly dividends of ten dollars each have since been received. A report of the use of these dividends will be found in the report of the treasurer of the board of library trustees.

REPORT OF CEMETERY COMMITTEE.

The committee were fortunate in securing the services of John W. M. Worledge as sexton for another year.

Many of our old families now have no representatives living in town, but we have increasing evidence each year that those who have gone out from their old home town do not forget their dead lying in our cemeteries. During the past year Martha and Louise Hills have made provision for perpetual care of the family lot of the late John Hills, the daughters of the late Rei Hills for their father's lot, Mrs. Zoe A. Blanchard for the Blanchard lot, and Miss Martha A. Clark for her father's lot, all in the cemetery on the plain.

As will be seen by the treasurer's report, the committee have accepted and invested the legacy left by the late Benjamin O. Simpson for perpetual care of his lot in the cemetery on the plain.

Respectfully submitted,

GEORGE F. ARMSTRONG,
JOHN E. COCHRAN,
WILLIAM D. COCHRAN,

Committee.

SCHOOL REPORT.

Nineteenth annual report of the school board.

Our schools have been in session during the past year, twenty-five weeks—twelve weeks spring term and thirteen weeks fall and winter term. Length of fund term in districts Nos. 2 and 6, four weeks, and in No. 4, three weeks.

Residents of No. 7 requested the opening of school in their district, and the committee, feeling it was their right, responded to the demand. A sufficient number of pupils warrants keeping the school open and the necessity of making larger appropriations is obvious.

We were fortunate in being able to retain five of our teachers for the year's work: Miss Effie M. Hull, of Gloucester, Mass., in No. 1; Miss Eva F. McLellan, of Laneville, Mass., spring term in No. 2, and fall with fund term in No. 4. Miss Clara M. Robinson, of Argyle, N. Y., in No. 3; Miss Ethel L. Sanborn, of Tyngsboro, Mass., in No. 5; Miss Lillian F. Harris, of Gloucester, Mass., in No. 6; Miss Irene T. Gross, of Windham, taught fall term in No. 7. Winter term in No. 2, commenced by Miss Russell, of Somerville, Mass., completed by Miss Sophie Parker from Rockport, Mass.

Spring term in No. 4, taught by Miss Bertha M. Kingsbury, from Roslindale, Mass.

With one exception, success attended the efforts put forth by the teachers. Good progress was made in the several branches taught, and a marked feature in our schools was the excellent order maintained throughout the year. Notwithstanding the many evidences of fitness for their work, the teachers receive a good share of criticism, some of it may be deserved, but there is too much attention paid to the pupil's estimate of the school. Children tell that part of the story

that conflicts with their freedom of thought and action. If the parents demanded the child to tell all "the teacher said," opinions would be changed and the teacher sustained in her requirements. The duties of the pupil are very simple: First, he should be punctual; secondly, obedient; and lastly, industrious.

The boys and girls of the present are to be the men and women of the future. Let us endeavor to educate our youth to high ideals of manhood and womanhood.

During the year we have been saddened by the death of Mr. Alphonso F. Campbell. In all our plans we found Mr. Campbell a sympathetic, enthusiastic assistant. We desire to put on record our appreciation of his many excellent qualities.

REPORT OF THE ANTIQUARIAN COMMITTEE.

The following additions to the antiquarian collection have been made during the year :

“Memoirs of Miss Mary Campbell,” by Rev. Samuel Harris, 1820. Donated by F. B. Coult, Auburn.

Book of Sermons, by Rev. Milton Ward. Donated by Mrs. W. D. Cochran.

Book owned by Amos Merrill, Senior.

Knitting-needle case. Donated by Mrs. D. C. Anderson.

Ancient axe. Donated by J. F. Freeman, Lawrence, Mass.

Wool hat, made by Joseph Armstrong in his hatter's shop.

In our report last year we gave the list of subscribers for the establishment of the “Windham Library” in 1806, quoted from the only known copy of a little pamphlet entitled “Windham Library; Subscribers' Names; Act of Incorporation; By-Laws and Catalogue of Books.” For its historic interest and to suggest the contrast between the reading facilities of the present and those of less than one hundred years ago, we herewith quote from the same pamphlet the list of books (with prices) which composed this early circulating library in June, 1811. The books marked with a star have been collected by your committee, and are now preserved in the Armstrong Library building, and others of the list, if in existence, should be deposited there.

The Thirty-Fourth Annual Report
OF THE
TRUSTEES OF NESMITH LIBRARY
FOR THE YEAR ENDING FEBRUARY 15, 1905.

At the beginning of the year the trustees received with regret the resignation of Mrs. J. Arthur Nesmith, as librarian. We wish now to put on record our high appreciation of the faithful and valued service which she rendered during the five years which she held the position. The trustees and patrons of the library will not soon forget the kind and courteous spirit which she always manifested in the performance of her duties.

Miss Bessie Emerson was the unanimous choice of the board to fill the vacancy. She begins her service well, and with increased experience will doubtless prove to be a very efficient librarian.

The trustees wish it to be understood that in the selection of books they try to be governed by a liberal (as well as a cautious) spirit, giving everyone a chance to see "the other man's point of view," but they must not be held responsible for the theological or political color that may be manifest in some of the books introduced.

Respectfully submitted by

ALBERT WATSON,
For the Trustees.
